Proclamation

National Dental Care Day
October 10th 2026

Whereas oral health is an essential component of overall health and well-being, and access to preventive dental care and oral health education contributes to healthier individuals, families, and communities; and

Whereas National Dental Care Day is a Canadian public awareness initiative dedicated to promoting oral health education, preventive care, and equitable access to oral healthcare services, particularly for underserved and vulnerable populations; and

Whereas this initiative recognizes the valuable contributions of dentists, dental hygienists, dental assistants, educators, volunteers, and community organizations that work to improve oral healthcare outcomes and support healthier communities; and

Whereas increasing awareness about preventive dental care, oral hygiene, and early intervention can help improve long-term health outcomes, reduce barriers to care, and strengthen public health and community wellness initiatives;

Now, Therefore, I Olena Hankivsky, Mayor of the Municipality of Port Hope do hereby proclaim October 10th, 2026 as National Dental Care Day in the Municipality of Port Hope.

Olena Hankivsky, Mayor
