

Premier of Ontario - Premier ministre de l'Ontario

October 10, 2025

A MESSAGE FROM PREMIER DOUG FORD

I'm thrilled to extend my warmest greetings in celebration of National Dental Care Day.

What started as a simple act of kindness in Brampton has grown into a powerful national initiative that brings not only smiles, but also dignity and renewed hope to thousands across Canada. Every year on October 10, dental professionals from coast to coast open their clinics to offer free, accessible care to those who need it most. No paperwork. No eligibility requirements. Just compassion in action.

This day stands as a testament to what we can accomplish when we unite in service to others. It embodies the core values that define Ontario—fairness, generosity and a deep sense of community. I applaud the tireless efforts of the volunteers, dental teams and organizers who make this day a reality. Your dedication to care rooted in dignity is truly inspiring and its impact reaches far beyond the dental chair.

Thank you for helping to create a healthier, more compassionate Ontario one smile at a time.
